Dear Will,

We are pleased to inform you that the Deernis Donor Advised Fund is committed to supporting your proposal to expand the reach of rugby and elevate the community outreach in Indiana. We recognize the value and impact of your initiative, and we share your goal of bringing the sport of rugby to a more diverse group of players and fans.

We are pleased to announce our initial pledge of \$100,000, pending a formal proposal and approval of 501c3 status of your charity. We understand that your intent is to use the funding to support three important community activities:

Education:

Provide scholarship and tuition support to high school and collegiate boys and girls whose circumstances would be positively influenced by such assistance. We also recognize the value of continued education for professional players and will support their pursuit of graduate programs or trade schools to prepare for life after their sports careers.

Facility Programming:

Supporting a revitalized Kuntz Sports Complex by working with local neighboring schools such as Vision Academy, Herron High School, Riverside High School, and Crispus Attucks High School, to provide after-school and summer school programming. By utilizing sports as a means of staying active and learning valuable life lessons, we are hopeful that you can positively impact the lives of these children.

Food Program:

Recognizing that there is an existing food support program at Kuntz Stadium, we are eager to explore how you could align our community-focused goals with this initiative. We would urge you to work closely with the City of Indianapolis and other local initiatives and determine how rugby might play an integral role.

We look forward to receiving a formal proposal from you, following this, we are prepared to make a formal request to the National Christian Foundation.

We are pleased to have the opportunity to make a meaningful and lasting impact on the lives of disadvantaged populations through rugby. Your dedication to this cause aligns perfectly with the charitable intent of the Deernis DAF, administered by the Ording family.

Warm regards,

Andy Ording
