

Mark D. Miles  
4790 W. 16<sup>th</sup> Street  
Indianapolis, IN 46222

November 21, 2022

To Whom it May Concern:

We are pleased to learn of the plans to revitalize Kuntz Stadium into a world-class Rugby stadium and are supportive of this initiative. 16<sup>th</sup> Street east of the Indianapolis Motor Speedway (IMS) is an important gateway to our facility and has long been in need of redevelopment. The 16 Tech Innovation District has been a welcomed start and the Kuntz initiative is another important step in making this area of 16<sup>th</sup> Street more vibrant. We are particularly enthusiastic about their commitment to manage Kuntz Stadium for the benefit of the Riverside community with youth sports, after school programming, and adult recreation leagues.

We are supportive of the redevelopment of the Kuntz Stadium and remain eager to see the continued redevelopment of this important gateway to IMS.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark D. Miles".
