OF INDIANAPOLIS**

November 14, 2022

To whom it may concern,

During the past few weeks, leaders from United Schools of Indianapolis met with Will Magie, General Manager of SOK Global Sports about their plans to work with the City of Indianapolis Parks and Recreation Department to rehabilitate the Kuntz Sports Complex on West 16th Street. One of our affiliated schools, Vision Academy is located next to Kuntz Sports Complex.

Subject to the proposed plans becoming a reality, and the facility operating with world class facilities, Vision Academy would be interested in renting this facility for athletic practices and games starting in the 2023/24 school year (subject to the costs associated with rental.)

We are excited about the potential for this project and offer our full support to SOK Global and the City of Indianapolis in bringing this project to life.

Sincerely,

Kelly Heron
Executive Director
United Schools of Indianapolis
