To whom it may concern,

In discussions with SOK Global and the proposed plans to rehabilitate the Kuntz Stadium Complex on West 16th Street, the Indiana High School Athletic Association (IHSAA) is in support of this project and embraces the opportunities to potentially host future education-based high school sporting events at this facility.

For many years, Kuntz Stadium was the host site for the IHSAA State Soccer Championships. The tremendous historical significance of Kuntz Stadium only adds to the possibilities of showcasing a variety of sports as well as the possibilities for hosting major sporting events in the future.

The Indiana High School Athletic Association offers our support of the project and looks forward to potentially working with SOK Global, the Indianapolis Parks and Recreation department, and the City of Indianapolis.

Sincerely,

Chris C. Kaufman
