**To Whom it may concern,**

Over the past month, CCA has met with SOK Global Sports and learned their proposed plans for the rehabilitation of Kuntz Sports Complex while working closely with the City of Indianapolis Parks and Recreation.

As an industry leader in adult sports programming and a large partner of Indy Parks rentals for over 25 years, CCA would be highly interested in scheduling adult leagues at this new world class facility; subject to proposed plans becoming a reality.

We offer our full support to SOK Global and the City of Indianapolis in bringing this project to the life.

**Regards,**

Ben Allen
