

To whom it may concern,

Over the past few weeks, we as an organization, Indiana University Women's Rugby have been in contact with SOK Global Sports regarding their proposed plans and working with the City of Indianapolis Parks and Recreation department to rehabilitate the Kuntz Sports Complex on West 16th Street.

Subject to the proposed plans becoming a reality, and the facility operating with world class facilities we would want to program play 2-3 games and a 7's tournament at the Kuntz Sports Complex in 2023/24 subject to the costs associated with rental. We offer our full support to SOK Global and the City of Indianapolis in bringing this project to life.

Kind regards,  
Vaughn Mitchell
