

To Whom it May Concern:

We are thrilled to hear about SOK Global's interest in revitalizing Kuntz Stadium and introducing professional rugby to Indianapolis, and we wholeheartedly support this endeavor. Indianapolis has a rich history of leveraging sports for community and economic development, and we take pride in our longstanding involvement with the city's sports infrastructure.

Over the past 37 years, we have strived to be a steadfast partner and supporter of the community. The prospect of contributing to the Kuntz Stadium revitalization project, alongside iconic venues like Gainbridge Fieldhouse and Lucas Oil Stadium, fills us with pride. We are eager to play a role in bringing this renovation to fruition and becoming an integral part of its success for years to come.

We welcome the opportunity to offer assistance and feedback to the SOK Global team. Your plans align with our commitment to community development through sports, and we look forward to witnessing the continued progress of this exciting initiative.

Thank you for sharing your vision with us, and we extend our best wishes for the success of this project.

Sincerely,
